SKU: HI-12U-500-MB

Description: This series is unique because it enables the cabinet to be mounted on a wall or to be stationary on heavy castors. This flexibility allows the cabinet to adapt its properties to each installation environment.

- Transparent glass front door
- Removable back and side panels
- Lockable front, back and side panel
- Black color

Included:

- rear heavy duty hinge for safe wall mounting
- four castors
- two shelves

This MB series includes SKU of various depths and also there are cabinets with additional Rack Units (heights).
